

ANTHONY WOOD - LIGHTING and CAMERAWORK CV

+44 (0) 7973 229304 anthony@nettlemedia.co.uk

I'm a versatile, experienced lighting cameraperson and enjoy working on a wide range of projects using a variety of shooting styles.

Cameras

Sony F55, Fs7, 800/500, a7Mk111, Panasonic Aj-PX, Canon C500/300, 5D Nikon D810 ...and happy working with other systems not listed here.

CBS – US Network

"Gayle King Special: Harry and Meghan Plus One". A 1 hour documentary on the Royal couple. Director of Photography for all UK segments including Gayle King's links and multiple interviews. (Broadcast May 2019)

"Diana her life and Legacy" CBS 48hrs documentary special. UK segments.

I currently work regularly for the CBS London Bureau shooting news and features for various CBS programmes. Recent projects include interviews with Teresa May UK Prime minister in Downing St, actors Kate Winslet and Olivia Coleman and author J.K. Rowling.

OBS – Olympic Broadcast Services

"The Making of the Olympic Games" for London 2012, Sochi 2014, Rio 2016 and Pyeongchang 2018. The "Making of" is a one hour behind the scenes film showing the workings of the Olympics broadcast operation. Typically, I'd be working to a brief, working alone with a student assistant.

BBC

"Diamond Queen" A three part series presented by Andrew Marr covering the Queens Diamond Jubilee. Including interviews with Prince William and other senior royals.

Previously I've shot many documentaries and magazine programmes for the BBC: The Queen at 80, History of Top of The Pops, Holiday Programme, Crimewatch, Watchdog and Robbie Williams, it ain't half hot Mum – 1 hour doc on the singer songwriter.

Corporates

"Wall Street Journal" - sponsored content comprising a docu series of informative short films for the insurance industry.

"Amazon Sellers" – a series of short films profiling Amazon Sellers.
